

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 364

January 21, 2021

SUMMARY OF BILL: Requires the Department of Safety (DOS) to provide a copy of any crash report to the state senator and the state representative representing the location where the accident occurred when the accident results in a person's death within 15 business days of the accident or the person's death, whichever is later.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Pursuant to Tenn. Code Ann. § 55-10-115, DOS is required to prepare and, upon request, supply to police, coroners, sheriffs and other suitable agencies or individuals, forms for accident reports calling for sufficiently detailed information to disclose with reference to a highway accident the cause, conditions then existing, and the persons and vehicle involved.
- Providing a copy of any crash report to the state senator and the state representative representing the location where the accident occurred when the accident results in a person's death within 15 business days of the accident or the person's death, whichever is later can be accomplished with existing resources and current DOS staff.
- Therefore, this legislation will not result in a significant increase in state expenditures.
